

Mitigation Strategies

The Academy is employing several mitigation strategies to reduce the risk of COVID-19 transmission in its buildings. These include facial coverings for all students, staff and visitors, frequent handwashing, increased cleaning of frequently touched surfaces and limiting visitors to buildings.

Definitions

Probable Case: A patient who meets clinical criteria AND is a contact of a probable or confirmed case, or epidemiologically linked to a cluster with at least one confirmed case.

Confirmed Case: A person with laboratory confirmation of COVID-19 infection, irrespective of clinical signs and symptoms.
